Verena is a Chinese-Indonesian classically trained pianist and has been playing the piano since she was five. She took piano lessons with Mrs. Ihsia Wermann when she was young and continued with Dr. Stephanie Neeman at Elly Conservatory of Music before pursuing further studies in Singapore. She graduated with a music diploma in Nanyang Academy of Fine Arts in 2019 under the tutelage of Mrs Rena Cheung Phua and was awarded the Most Improved GPA Award. She is currently in her final year at LASALLE College of the Arts pursuing her Bachelor's degree in Classical Piano Performance under the tutelage of Mr Benjamin Loh.

Throughout these years, she has performed at Singapore Airline Theatre, Lee Foundation Theatre, Victoria Concert Hall and ACJC Faith Centre for Performing Arts. She also performed her solo works in Goethe Institute Jakarta, 250th Wolfgang Amadeus Mozart Marathon Music Concert and NAFA platform. She was also in the NAFA Choir and performed Die Fledermaus Operetta at NAFA's 80th Anniversary, Beethoven's Symphony No. 9 and Rossini's Stabat Mater. Recently, she performed in the 8th installation of LASALLE's Piano Voyage: A Night at the Opera.

Her accolades include winning 2nd Place at the 2008's Binus Internal Competition and at the 2011's International Music Competition in Jakarta, Indonesia and recently won Silver Award in the Professional Piano Category at the International Chinese Music Festival in February 2019.

Her passion and love for music has led her to teach private students as well as a part-time teacher at The Music Suite since

2018. Her students range from five years old to senior adults. She hopes to inspire the aspiring musicians and give back to the community of musicians who so selflessly tutored her and gave her their valuable time in an effort to groom her into a better pianist. Wanting to give the next generation the best head start they can possibly get in cultivating their passion for music is a personal endeavor.
